I knew both Carl and Alfreda for over four years. She was a happy woman. She loved her daughter and her nephews. Everyone visited her within three months before she passed. I was with her the day she passed. It was sudden. She had a normal day and three people visited her that day. She loved the detective movie "Castle." We could watch three hours of it, the famous writer and cute police detective woman trying to catch criminals together! She says her friends need to eat more fruits and vegetables like she does so you can live to be 100 years old! I will miss her laughter.

To The Family, I am so sorry for your loss. My heart goes out to you in your time of sorrow. May you let God's Word comfort you when it reads, "If a man dies can he live again? ...You will call, and I myself shall answer you. You will long for the work of your hands." {Job 14:14, 15}. God will have a longing to resurrect our loved ones who have fallen asleep in death.

Carol, our thoughts and prayers are with you and your family. Alfreda was a wonderful lady. We spent many hours with her and Carl playing Dominoes around the dining table. Alfreda will be forever in our hearts.

I've known Carl & Alfreda for over 25 years and they were the best people and Owners I ever work for or with. Alfreda was the most generous, thoughtful and considerate person I've had the pleasure to know. I recall at one of our company Christmas Parties, I asked to dance and she told me that entire like she had never danced with anyone, not even Carl. She took my hand and we had a lovely dance with a lovely individual. She is loved and will be missed. Joseph Abene
