Dear Raya, amy, brandon and the rest of vezina family, Its been a long time since I have been in contact with all of you. But, over the years lives get busy and we stray from our friends. I heard about Raymond's passing from my best friend Patty and had to sit down. Hard to believe where the years go but, I have thought of you so many times. Even drove past the family's old house and smiled about the good times we had as teens. Raymond was always the shinning star making us laugh. Nothing anyone can say will make your pain any different but, I cant stop thinking about how I remembered him and thought I should send you a note. I am sorry for your loss.Lisa McDermott-Feiler
