Dave was a Good man!! He would always talk about his family and grandchildren and his dog. Dave also was a good co-worker at the funeral home. He cared about his job. If you worked with Dave you would not have to worry everything would go smoothly. He made sure his family was taken care of at the service. Dave showed me a lot of little things while working with him that I use every day I work. I will miss him a lot but I know he will always be looking down at me when I am working at Memorial Park and make sure I am doing things as he taught me. I will miss you very much Dave!!but I know we will meet again someday. Take care and now it's your turn to rest: Take care BUDDY!! may God be with You:
