Dear Mrs. Sassaman's family, I had the honor of being a math student of Mrs Sassaman in the late 1970's at Northside Christian. She was such a wonderful teacher and caring person. It was very clear that teaching was very close to her heart and that she dearly loved her students. I know that many people loved her and she will be greatly missed. My prayers are with her family.

Dear Doug, Jim and Family, I worked with your mom many years at Northside. She was a wonderful teacher and role model. When I took a job at St. Petersburg College directing a women's program, she drove to the campus many weeks to sit with the women and help them understand their math. I have many happy memories of your mom. As you very well know, she was a special lady. We will miss her, but we know she is singing in Heaven. Sharon (Sherry) Coil

To Mrs Sassaman's family, I'm so sorry for your loss. I remember her well & have spoken of her often as having been THE best algebra teacher. She was the only teacher I ever had that made sense of it to me, & I wished for her again as my daughter struggled with the subject. She was a wonderful lady & a truly gifted teacher. Please accept my sympathy at this sad time.
