It's so sad that the passing of Marge closes a final chapter in my life. She and my father were together for many years. I wish there had been a way to have kept closer as a family following my Dad's passing. But it wasn't to be. But Marge knows that we cared and will think of her in heaven happy and smiling.

I will always remember Marjorie Howell and her faithful dog Erma. I took care of Marjorie for approximately 6 months. I was greeted each day with a smile and a wag of Erma's tail. I became acquainted with all of her friends and most of her family. Everyone in her life was treated with cheerfulness and giving spirit. I will miss her greatly and she will always, always be in my heart. Respectfully yours, Sharon Leon Visiting Angels

Peggy and I extend our deepest sympathy to the Family. Marge and Dick were special friends - we spent a lot of time together. They both supported PARC and were faithful Civitan members. They were interested in assisting those needing help. Upon Dick's death, we remained close to Marge for many years, prior to our leaving the St. Petersburg area. Still, we kept in touch. Marge was very special. We will miss her in many ways. Our prayers are with you for Gods encouragement and strength. Marge loved her Lord and is at peace.
