I miss you more everyday, but the memories you have left us with will live on in our hearts forever. You were loved as were we. I couldnt ask for a better Father in Law. You accepted me as one of your own and we had our own special relationship. I will always love you!

The sympathy that i have for my grandmother leaves me bewildered, but my admiration for her is profound. I send my condolences and my love to her, that she may remain in strength and a find peace in her heart, for its filled with nothing but kindness. My grandfather was a lucky man and will be greatly missed for his character and wittiness.

You lived life on your terms and did it your way. Not a day will go by that I won't think of you and smile...laugh...and cry. I love you, Daddy. And I will miss you something fiercely.

I had no choice but to look up to them, they were a lot older! I chose to respect and love them.
