I know it's been a long time since we last spoke, but I can still remember your laugh and smile like it was yesterday. Your family will miss you more than words and explain. You were a wonderful man, father and husband. I know that everyone will think of you every day. I would do anything to give you back to my family. You will be deeply missed Love christy

Even though I only knew Jose for a brief time, we became friends and when he spoke about his family and friends, you could see his eyes light up and almost feel the love he had for his family. I will miss him...we all will. May God always bless him and his family.

In Our Minds We stand motionless, consumed in grief. Sorrow has arrived, with smiles thief. We're gathered here, to mourn and cry. Our questions pointing, at the clear blue sky. Why did you go, why did you leave, Life without you, is so hard to conceive. Our hearts are damaged, and scarred severely. We shall miss you, much more than dearly. For having you in our lives, we've all been blessed. But now the time has arrived, for you to rest. We promise to cherish, our memories of you. You shall live in our minds, and all that we do.

A thousand times we needed you
A thousand times we cried
If love alone could have saved you
you never would have died
A heart of gold stopped beating
two twinkling eyes closed to rest
God broke our hearts to prove he only took the best
never a day goes by that you're not in our hearts.... RIP Flaco!!! You will be MISSED by ALL♡
