I remember the best Italian food in the world. I remember beautifully decorated birthday cakes with ballerinas. I remember you following me around with food asking me if I was hungry because that's what Italian grandmas do. I remember trips to the zoo and theme parks. I remember you making holidays wonderful especially Christmas. I remember the pride you showed whenever you spoke about any of your grandchildren. I feel fortunate that you met my husband Chad. Most of all I will always remember your smiles, hugs and kisses whenever I knocked on your door. I am Blessed to have had you in my life for so long.
