Aunt Mary was such a generous person. She would always have room at her table for anyone who dropped by. Her sense of humor led to wonderful Halloween outfits for her and Uncle Pete. Her love for her children was always evident. I remember awakening at night as a young child during a sleepover and hearing Aunt Mary and Anita chatting together. Anita, Tony, Rosie and Pete.

When my parents lived in Vendome Village, Mary became a quick friend to them. When my father passed on, Mary took it upon herself to check in on my dear mother every day and shared some of her fantastic cooking with her. Mary was my friend too, and after my dear mother passed on she offered me encouragement and condolences like no other.. I recall so many good times eating at her house, playing cards on Friday evenings with the "group", and her smile would instantly turn an otherwise bad day into one full of sunshine and hope. She was an incredible person and I am saddened by her passing. If we had a few more like her, this world would certainly be a much better place. My condolences to Mary's family and know that I am truly sorry for your loss. It is obvious that our dear Lord needed another angel and he called upon Mary. What wonderful choice that was. While we will miss her here on earth, she will always be in our hearts and prayers. Rest in peace my dear friend.

Mary had planned and prepared a beautiful Easter feast for Tony, myself and my son Freddie two years ago when we visited during spring break. There was more than enough food; it was delicious! She was a lovely lady, full of verve. I love the stories Tony and Peter share during get togethers. They're usually laughing so hard by the end of the story. She will be missed.

I have so many great memories of my grandma, but one of my favorites is when my cousin, Amy and I went down to FL to visit for our college Spring Break. My grandma took us to Bingo with her (a fave of her's) and of course had 10 cards in front of her. She knew I couldn't handle that many so I only had like 3 cards. As the game continued and I couldn't keep up with my cards, she started to stamp my cards along with hers - I think she started stamping Amy's cards too; so her big arm kept flying back and forth between the 3 of us to cover all the cards. And of course my grandpa kept serving us food all night, even though we had stuffed ourselves with grandmas cooking already. Good times! She was an amazing woman, full of life and love and always put family first. I will miss her dearly and cherish the many wonderful memories! Love you, Grandma...

I will always cherish the last 9 years I spent w/ my Mom & Dad once I moved down to Florida in 2005. I feel so blessed for all the wonderful memories especially when she lived w/ us for 6 months after her stroke. Playing poker every night, Bingo twice a week, and so many wonderful meals we shared together. But my best memory was taking her to Mardi Gras in NOLA twice & even getting her in a parade & dinner at Emeril's. She was the happiest I have ever seen her! I will cherish all these memories. Love you forever, Mom. ❤️❤️❤️

This was one of the happiest days of my life! We used to love doing the jitterbug and dancing to Benny Goodman. I will always love you, Mary. Your loving husband, Peter

Tony, so sorry for your loss. But it looks as if Mom had a good long life. You look a lot like her. Be strong; this will pass and memories will become sweeter with time. I have lost both my parents and memories are absolutely wonderful. Every once in a while a story will crop up of something that reminds you of your parent and it is sweet. Sincerely Bev Smales

What a nice tribute to your mom Tony! My mom always served others before herself too. It's tough to lose a parent. I still think about how I need to tell my mom about something funny and realize that I can't anymore. It's been over two years. I have fond memories of how we'd laugh over stupid things. Your mom looks like a fun person--just like you! Cherish the memories.
