Bob,Gary,Ray and families, Your dad was my favorite uncle! Memories go back to my childhood when he brought me back a beautiful kimona from Korea! Loved his laugh! Being the youngest in his family, he was nearer our ages as children and had the most fun with. At Thanksgiving at Grandma's he would keep everyone in stitches as he tossed the plates to be dried to Uncle Andy and then on and on. He had so many wonderful talents that he was born with. Could fix anything! He flew down to my college graduation for which I was so thankful! David and I loved visiting him in Florida. We have lots of great memories as you do and will miss your dad. We send you our deepest sympathy for your great loss. Hug each other. Stay close! Love from David & Nancy Reid
