My heart aches for the family. Remembering the first time Susan and I met, at Michaels 5th birthday party. What a fun meeting with a lovely woman. Our talks throughout the years were always special. Susan was always kind, sweet and caring. I hold each of the family Paul, Michael, Mrs. Gamble, Pete and Bill in my heart. May God bless each of you with love and peace.

I remember so many nice things about Susan. I remember her heartfelt greetings, her gentle smile, her laugh, her wry observations and her fine sense of irony. I remember our break-time walks around the Highway campus, as we chatted about our families, kookie television shows and all things work-related. I just wish I had done more things with her. Not only did Susan have a good heart, she was also a well-respected hard worker. She knew her stuff. She was known for her willingness to roll up her sleeves and dive into work. I will miss her very much. She was a good friend. My hearth goes out to her family. -Greta Finney

Dear Family & Friends... Susan 'Lolli~Pop' the clown was just awesome! Just graduating last year, she enjoyed the classes and we enjoyed her. I wish she could have had more time 'spreading' her joy... but now she can spread her joy with 'wing's & a 'red' nose... Bless you my friend! Nurse Bandi Aid ~ Jen

I was saddened to hear about the passing of Susan. She was a sweet person to work with, was always able to make you smile & laugh. Even though I didn't work in the same department, I had the pleasure of working with her through the A/P Finance Dept.. She will truly be missed by her 'County' family. Diane Goodyear

I am saddend by the loss of Susan Sweeney. Her presence and beautiful smile will be missed. I was privileged to work with Susan when I first joined the County 15 years ago at General Services. Susan and I shared many laughs and great conversations. As our careers paths took us to other departments of the County, we lost touch until three years ago when our respective departments merged. I remember when we saw each other in a meeting, we hugged and laughed once again. It felt really good to see her again and to fill in the gaps from the years past. I am going to miss you my dear Susan, I wish I had one more opprotunity to see your beautiful smile one more time. My deepest condolences to the family and everyone who was touched by your presence and beautiful spirit. Jolanda Jordan
