Stacie, thank you so very much for putting together the wonderful CD's. They meant a lot to me and to the rest of the family that Papa so loved.

Uncle John will be missed, I remember as a kid he gave me Sargent strips that he wore,...also later in life he gave me advice when I hired in the steel mill. When he retired he told me " Kennie,..I'll never shovel snow again,...you can have my shovel if you want it ". We both started laughing. My heart goes out to the family.....With respect and love Kennie Carl

Kennie, your Uncle John shared with me that he threw that shovel into the Detroit River when he left! Thank you for your sentiments and condolences. All of our lives were made more meaningful by his presence. We loved each other very much and I will miss him terribly. Dotti Porath

I feel so blessed to have had such wonderful grandparents growing up, including our Papa. Our lives will be a bit emptier without him, but I know heaven is a little bit fuller today! What a comfort to know that emptiness is only temporary - until we meet again, Papa!

My condolences to the family. John was a wonderful man. He and Bill celebrated birthdays 7 days apart. Bill would tease him that that he was a week younger than he. He sat in front of us in church when he was a member at Bay Pines. I'm sure that he received the best care from Dottie and the entire family. May he now rest in peace and I pray that your faith will keep you strong during this very difficult time. Annelore Kirn
