Cheri Coulter Santiago lit a candle in honor of Christine.

My deepest condolences go out to John and family. My prayers are for your peace and healing as I know you will miss Chris so very much. Chris will always have a special place in my heart. No matter what the situation or circumstances we found ourselves in during our teenage years she was always a true friend and she had an incredible way of bringing in her unique sense of humor through one of her nonchalant comments that would make me laugh and put everything back into perspective. Chris' special friendship filled my memories of our times together with great joy. Heaven's gain is our loss, but I look forward to our amazing joy filled reunion some day in the presence of our Lord!!!❤️
