Dear Tracey, Mark and family, I wanted to share the nice memory that we all have of celebrating some of Connor's birthdays at your mother's house. I remember feeling very welcome in her home with her, and with your grandfather. You could feel the love that they both had for animals, for you, and especially for their precious grandchildren. I am so thankful to have had the chance to meet the person who brought a very special friend of mine into this world, and I know she must be looking down and feeling very proud of her daughter and family. Love, Lorene and family
