Even though we don't understand why, God decided He need you more in heaven then we did here on earth, so home you went to be with Mom and Dallas, and to watch over us all. I'll miss those beautiful blue eyes and the smile! I love you Eddie and I was proud to be Ed McGowan's little sister....always in my heart.

Connie & D lit a candle in honor of Edward.

Dear Vickie and family, There are no words to describe the sadness we feel in Eddie's passing. He was someone D could count on in sharing conversation, and his never ending accountability and hard work on the job...there was a very special bond between the two, one that will not be duplicated, and will leave a very huge void. Eddie, will be sorely missed. Our thoughts, and prayers are with you at this time, and in the days to come. Love, Connie and D
