I found my favorite picture of Brenda today. Steve and Brenda spent some time at Clearwater Beach in 2000, and sent us pictures. I want to share this with everyone who will miss her. Pam Parker

To our dearest Steve...You are on our minds and in our hearts always. Our deepest condolences. Brenda was a free spirit in a body that would not let her run and fly. She is free to do that now, but you know she is right by your side and is watching over you, as you have done for her all these years. It was a blessing to have had her in our lives; she made us laugh and was so much fun to be with. She was generous and loving, and we will keep that love in our hearts and memories always. With sympathy and much love, Haus and Pam
