I met Adam and Jamie in 29Palms. I was in a relationship with one sided love coming thru. The love Jamie and Adam has was catastrophic. They both gave me hope that one day I would find love like that. Rip Adam.

I remember when Adam and Jamie first started dating. They were visiting with my husband and I and one thing I loved about their relationship was that they both knew how much love they had for each other. They really were soul mates! Rohan and Jamie please try to remember the good memories of Adam during the difficult times! We love you #SuperCoopers
