Thank you mom for being such a loving, caring and always grateful role model for me. I have such wonderful memories that I will always cherish. You have been such a loving grandmother to all your grandchildren. You have had a strong bond the the children and they loved you so very much. I will miss you very much and look forward to the day I get to see you again. You are now at peace.

Mom, I hope your in peace now. I will cherish every memory we had together. I feel blessed to have had you for my mom. You were a wonderful mother and if possible and even more wonderful grandmother. The kind of grandmother that the kids always wanted to spend time with. They will cherish those memories forever. I love and will miss every day until I see you again.
