One of my fondest childhood memories was while visiting Uncle Lester and the other Harmon uncles and aunts in Akron, Bob took us water skiing. I will never forget what fun that was, especially when Uncle Lester, who had just one arm, tried to water ski and a dead fish came right to his mouth. Thanks to Bob for such a wonderful time. He was very special and you could tell how much family meant to him. May God bless Stephanie and all the family. My thoughts and prayers are with you all. Sincerely, Judy Harmon Campbell (Raymond's daughter)

My family and I have a lot of wonderful memories of our Brother Bob. He had a lot of inner tubes and about 20 or so would get tied together and go down the Mohegan river. he had one great big one that our mother would ride on. all his sisters and all the children were there, we went about every year. AND we really love Stephanie for all she has done for Bobs family and taking such great care of Bob. He will be greatly missed but we know he is in a better place. With sympathy for his wife and children Genny and family
