I'm so sorry to hear of Fred's passing. We were great friends during our years at Anderson H.S. One of my many memories was of his 1961 red Chevy that his dad bought for him and we' go watch him race. Another memory was of the many afternoons we would sit playing cards and listen to music in the upstairs of my home. Deepest Sympathy Your Friend John Hunter

Fred followed me to Jim's hd because my street glide had a recall, going back to his house i couldn't find my cell phone called harley and it wasn't there so he drove me all the way back to jims hd as i was looking out the window thinking my phone fell off of my bike. On the way back from jims hd i seen something in the middle of this busy street we were on and said there it is Fred!!! He slammed on the brakes and we almost got rear-ended, i jumped out and it was a dirty flip flop in the road and I can hear him now saying you almost got us killed for a damm flip flop!!!!!! and his laugh was priceless!!!! I'm really gonna miss him!!!! He's in heaven telling jokes now!!!!!! Love you Fred!!! Dale Bradley

Dearest Fred you made life so much fun during high school with your Chevy 409 and that never ending smile. With you everyday was an adventure and your kindness was always so inclusive. Seeing you at class reunion was bittersweet. Such fun but leaving us with a thirst for more good times. Vikki was lucky she made the trip to Florida to visit. Karyn and I will hold tight to the memories of your visit to Cincinnati. We'll always love you. Vikki, Laura and Karyn
