I had the privilege of both being a student in Mrs. McCoy's class and to be able to get to know her outside of school through my friendship with her grandson Joey. She was a very kind and caring woman who always challenged students to do their best.

She will definitely always be a part of Blanton. She was one of the first teachers to reach out to me when I was new at Blanton. She was a great friend when I needed one at a very difficult time.

Edie Flint lit a candle in honor of Mary Jo.

Hello! My name is Edie & I knew Mrs. McCoy over the years through my job at Bank of America. I was always very pleased when I would see her or Mr. McCoy or both together walk in the bank to do business. They would always share things about upcoming trips or how their trips went as they both loved to travel and always had such good times. I would always say to Mrs. McCoy how beautiful she looked as she would always have her make up on & dressed so nice, (she had the most beautiful eyes ever). I would like Mr. McCoy & all of there family to know I will truly miss her as she was a very special person!! God Bless you all!!!

We ae so sorry to know of Mary Jo's passing. As a former teacher, we would share thoughts and ideas on teaching, also graduated from USF with her, and were neighbors for many years. We will miss your smiling face and sweet ways. Our sympathy to Joe and the family. Joe and Judy Sarazen 2/20/16
