Words cannot describe the sorrow I feel hearing about your passing. Thank you so much for all of the wonderful things you did for me while I was apart of the Martin family. I will always remember watching Tim, Shane, and Carter climb all over you and play. Please watch over those three sweet grand babies. Rest easy Doug.

I am a neighbor who has lived next door for many yrs and found Doug to be a very caring, kind person. Doug always had a helping hand to offer, ideas how to deal with other neighbors who are not so nice. You will be missed Doug. Rest in peace.

I'm an outside sales person at Dosatron and had the privilege of working with Doug. Although I'd only see him every few months Doug always had a way of making me feel as if we talked every day. His joking manner and genuine interest in the lives of those around him will certainly be missed. I offer my prayers and deepest condolences to all his family in a very difficult time. I have worked with Doug for the past few years, he was an amazing man. There were days where we made each other completely crazy, but I can't imagine doing that job with anyone else. He talked so much about his wife Brenda and his grandchildren who he loved spending time with. They were his life. Doug was a great friend and he is truly going to be missed. May God bless the family during this horribly trying time.

I was only able to work with Doug for a few months before he became sick. In that time I was able to tell that he was a great man with a good heart and was always willing to help. He is missed. Just keep fishing Doug!!
