Dave, I am still in disbelief that you won't be that smile I, as well as all the other teachers, see at the end of the day, reminding us that Friday is just around the corner and to keep plugging along. :) We will miss you so so so much! Lealman Ave lost a gem this week, but heaven gained an angel. May you rest in peace. My prayers are with your family.

Dave, I can't believe that I won't see your gentle smile or hear your voice wishing me a good afternoon. You meant so much to the staff at Lealman. You were always available to help anyone who needed it and you did so with a smile. You will be greatly missed and oh so hard to replace. I pray that your family and our Lealman family find comfort in your peace. Bonita Paquette

Our memories are forever and our hearts are just so full of love for you Cuz. You moved to Florida, we moved to California, but nothing comes between our bond. We pick up right where we left off as though we still lived close together. We'll all be together again someday so..... keep the beers cold!!! Love you and miss you so much.
