Writing this tribute for Rae Marie is very difficult. She will be missed by her children, grandchildren and numerous friends. Although I have known the family for about 30 years, we have become reconnected through the friendship between Desirae, DJ and my daughter Melissa. Rae passed on her kind spirit to her daughter and then is passing it on to her children. I has been a blessing to Melissa and I to be welcomed into their family. God bless all of you and keep you in his care. Love Aunt Linda and Melissa
