Dear Fred and Sons, Peggi and I were so sorry to hear of Carol's passing. She was my favorite supervisor at the VA where we worked together for many years. She was knowledgeable and respected, always willing to give of her time and expertise. We will miss her kindness, wit, and that great laugh. Ritchie and Peggi Stanford

My sincere sympathy to Carol's family. I was blessed to be with Carol and Fred in Ironwood, MI in July, 2015 with many other close friends and classmates for our 60 year class reunion from Luther L. Wright High School. I have known Carol for 74 years and we started school together as 5 year olds and graduated together in 1955. We have had many wonderful encounters since 1955 and I will treasure every one. How time does fly by when you are having fun. I will miss you my friend. God Bless you and your family. Love and Hugs, from June Knudtson in La Crosse, WI Ask Fred if he loved his trip up to Grand Dad's Bluff in La Crosse

Dear Fred, Brad, Mitch & Family - Our thoughts & prayers are with you at this sad time. We are so sad to hear of Grandma's passing. We loved her & have such wonderful memories when the kids were younger & growing up together, as well as visiting during the past Christmases or Summer vacations when Terry, Brad & family were in town. She would often stop by our house when shopping in the area to chat, see how we were doing, then catch me up on all the family, grand kids, their travels & accomplishments. She loved you all, never tired of bragging about all her boys & grand kids, was so proud of all of you. She was a special lady & we will miss her terribly. Love to you all, Cheryle, Rick, Chris, Jonathan, Timmy, Jaime & Gregory Miller

Such wonderful memories of being neighbors, and our children growing up together. Than in later years when Bill and his family lived there the wonderful parties held in back of both homes. I'll always remember the good times. Love and prayers for. the family Lorraine Sutliff
