OMG Arlene, Terry and Travis I just got home from Baltimore and saw Linda's death notice in the paper. I am shocked beyond words. I have tried calling her several times over the past 2 years and when I did not get an answer I just figured she was visiting one of you. Sorry seems like such a trivial thing to say but I want you both to know that if there was a way to tell you how sorry I am it would take a month. We used to have such wonderful times working together and bowling in the mornings after work. I remember the nights when she would cook crab cakes for all of us in the E.R. at Franklin Square and the patients in the waiting room would ask where the delicious smells were coming from and we would tell them "must be from the kitchen" but the Square had no kitchen. I will be praying for you guys and for my dear friend. Maureen Cathey 727-474-6714 momickyrn@yahoo.com

I worked with Linda at Operation PAR in the mid 90's. I always admired that she entered the Turkey Trot on Thanksgiving Day and hoped to be able to do that one year...unfortunately, I never have. I think of Linda every year when I see it advertised in the newspaper. Also, I still use the coffee cup she gave me one year for my birthday when we worked together at PAR. Linda was a good, honest person and a friend that could be trusted. I wish I had kept in touch with her after I left,

Linda was giving, caring, and devoted to whomever she loved. Her childlike mannerisms always made me laugh. I'll always treasure our fond memories together. Her visits, our trips to Maine, going to clubs in Rehoboth, boating with her sitting on the bow of the boat with a hole in her bathing suit, packing the car so full with what she bought and still managing to shove in 6ft. cornstalks and pumpkins, stealing bittersweet cuttings behind the post office in Wells, getting lost in N.Y. at midnight and pulling over at an undesirable convenience store for directions, Linda said "Don't worry if somebody tries to get us I'll lay on top of you!" Her food. She could cook for an army at a moments notice. And our long phone conversations which she always ended with "love ya baby". I loved you too Linda, Connie
