We were shocked and tremendously saddened by the sudden passing of our dear friend Vicky. I will always cherish the memories of the friendship we shared. A common interest in Disney World, Billy Joel and Epcot concerts were icing on the cake. John, we are greatly comforted to know that you are Vicky's husband and soulmate and she enjoyed life with you immensely. I thank you for the joy you brought to her life. I know she adored you. John, Family & Friends, I'm in shock of this very sad news... Victoria, was such a wonderful person and I feel honored that was I able to work with her for short period of time and get to know her. I would talk with her in the mornings, before I started my day and we would just chat about everything & anything and always finish our conversations with big ol' laughs. I know she loved her cruise, Disney and family trips and I know how much she adored you John and cared so much about her family.. I know this is such a difficult time, but I know she will always be watching over you guys. Sending my deepest thoughts and prayers. - April Stanton

My heart is shattered and I just don't know how to pickup the pieces. Grief can be so hard, but our special family memories of Vickie's love will have to carry us on. My dearest Sister in-law showed so much love, caring and compassion for others. And that undeniable love for my brother John was like no other. I am so grateful that my kids Stephen and Monique where able to experience such great love, kindness and gratitude from their Auntie Vickie, we all believe that we have a beautiful guarding Angel watching over us. ❤️🙏 Sent from Millie Cofino

Mr. John, my thoughts and prayers are with you in your time of sadness. I can't help but think of all the fun times y'all provided in my childhood.
