It's been so long since our sons played baseball together but we have thought of you often. It was fun to talk baseball during those days. Our thoughts and prayers are with your family at this sad time. Rest in peace my friend. Bob, Anita and George Lehr

Dad, The boys will miss their Papa so much. They both loved you so much and looked forward to you picking them up everyday from school. You meant the world to them and all of us. Things will never be the same without you. You will never be forgotten. Love, Amanda
