I have known Lee since the late 60's or early 70s. She always had a smile and a kind word to share. Last memory I have was just a few years back having her show me how to make good Stuffed Cabbage. She and her lovely daughter Sandy once spent the night at my residence in rural North Carolina. I always enjoyed her stories of her youth and avoiding the encroaching Communist and some really tough times. Lee, you will always have a spot deep in my heart. I love you and I will miss you. Cross over easy Lady....your calling came.
