Very nice tribute to your mother Mark, you are a wonderful son to have taken such good care of her, she was a very lucky woman!

Mother, I don't know how to thank you for the gifts you have instilled upon our family. When I was a child, you would make breakfast, do the dishes, make lunches, go to work, come home and cook dinner and then do the dishes. I didn't appreciate that until I was several years older. How you sacrificed for your family. Helping take care of granny from age 66 through 74, then helping Gail and Bob when Gail got sick. Up until age 87. You had an amazing strength. You loved your family unconditionally. You will live forever in our hearts. Until we meet again. I love you and miss you.
