Mike, I only met you at your and Char's wedding, but I'll always remember you. I'll always remember the boat ride you took us on the next day, and what a great guy you were all through the weekend, and what a great life you had provided for Char, and how much you two obviously loved each other and how happy you were together and how much you looked forward to being with each other. Just, the whole thing was very happy and it is a wonderful memory.The fact that you were such a great guy makes Char's loss greater, and everyone else who loved you, but it'll help them all be strong too.-Henry Higuera
