Baez, You always kept your promises...never ever broke them. You promised that you will always be there for me. So I trust that you are watching me from somewhere above, and will guide me whenever I'm lost. Treasured in my heart you'll stay until we meet again some day. REST IN PEACE

Ben was a funny, crazy, spontaneous, very intellectual man. The first night I met Ben New Year's Day a few years back, with a few other good friends, we shared tons of memories, from the hard rock escapades, to helicopter flights over the Grand Canyon, Vegas ventures, the most lavishing dinners and lots of many, many laughs, pranks and shenanigans. Ben was someone who always put a smile on your face, and made you laugh if you had a bad day. He always told me, "Tabitha, life's too short to not be happy". My love is sent out to sweet Hannah, praying to give her strength, and also my prayers to the rest of his family. A life that was short lived is forever away from us, but will always be in mine and those heart who shared a friendship with an amazing man. I love you Ben, you were a good friend to me, always in my heart.
