**Jeff Whitacre** lit a candle in honor of Andreas.

I have been Andreas and Christina's next door neighbor for over 30 years. During that time I watched my daughter grow up and accept them as step grandparents because her real grandparents lived over 1,000 miles away. It was nice to share her with them. In Andreas later years he used to ride a adult tricycle around the neighborhood with their new dog Paige riding in basket. He loved to play his Greek music which he started early in life. He was a very easy going person and will be missed!Jeff Whitacre
