We are so sorry to hear of dear Kitty's passing. We met her in Mainlands and found out that she had taught at Girard College in Philly many years ago...my husband was a student there during that time! They spend many hours reminiscing. Also, she was the first person we met when we were searching for a home here. Again, our deepest condolences. David and Karen Hillegas, Mainlands Unit 1.

I saw my Aunt off and on through my life. She always welcomed me with such kindness and talked of the importance of family. Will miss you Aunt Kitty!

I am Kitty's "Little Brother, Bob". I have many fond memories of the Frazier Family growing up in Blackwood and Haddonfield New Jersey. Kitty and her sister, Ginny and friend Kathryn Sides would put on summer productions in our neighborhood. One was a "Tom Thumb Wedding" starring me, 5 year old Bob and a little neighbor girl. One of their really big productions was a "Carnival Show".Kitty Graduated from Glassboro State Teachers College. One of her first teaching jobs was at the prestigious Girard School for Boys in Philadelphia. While there she was selected to be an Exchange Teacher. She went to England and exchange teaching position with a lady named Muriel. Also while in England she met her Prince Charming, Jan Zablocki. He was a Polish boy with quite a WWII experience. He came to the USA and they married up in Detroit. They soon moved to St Petersburg, FL.Kitty will be known as a very bright, considerate and kind person. Good Bye, Kitty
