So sorry for your loss. My mom Frances Vaughan and her brother Tom Megill used to love to play cards, go to dinner and have a few beverages from time to time. They were so sweet, she and Buck were quite the colorful couple. I am so sorry I lost touch with her after my mom passed. I was working out of town for a few years and went by to see Irene. Only to find out she had moved and I tried to find where she went and could not find her. I am truly sorry for the loss of such a great mom, grandma, and all who loved and cared for her. So very sorry to hear of the loss of Irene. My mother (Marianna) is so very sad today. Mrs. Camper was a very dear friend and neighbor to the Toffetti family for all the years we lived across the street from on another on Robinson Drive and for the many years after. She was one of the sweetest ladies we have ever known. Love and prayers to her family who we hold in our prayers at this time of your sorrow.
