Dear Joyce, We are all better for knowing you. You were so kind and thoughtful. Your impact on me and my life have been enormously positive. Your support, your caring and yes, maybe even a little appropriate sternness helped shape the person I am. So many times, you gave of yourself for me, to help me, to be my advocate. You have been a rock for me so many times for so many years. I will never forget you, always love you and count myself lucky to have been a part of your world. Love, Ken Hargreaves

Joyce, You have been so much a part of my life for over 45 years. I can't imagine how it will be without you here. You were such a strong, loving, and caring person. Words cannot express how sad Barry and I are that you are gone. We will always remember you and miss you very much. May God Bless your family now and in the days ahead as they go on without you.
