I am one of the Carols that your mom used to hang out with when I lived in Florida. I'm Carol Vassillion and I just talked with Carol Stewart. I'm so sorry your mom was so sick I would like you to know that she is in a much better place and I truly believe that she's home with the Lord Jesus and she's not sick anymore and I hope your faith will let you believe that too because he loves you and he loves your mom. I will miss your mom but I want you to know that I truly believe that I will see her again someday.
