I have known Libby as long as I can remember. I just loved the way she told her. We worked together and played softball together. She was a beautiful soul. I'm so glad I got to see her before she left us. God rest her soul and know you will be missed. Prayers to her mom and family through this hard time. I love you ladies.

Libby was one of a kind! If you were her friend she would have your back no matter what!!! Her personality was contagious and her smile and laugh always lit up a room! Libby I know you are with my granny right now getting in some type of trouble in the heavenly realm probably playing some type of practical joke on an angel 😊😂 I will miss you so much Libby down here, but I know you always be with us in our memories and probably to haunt my ass, just because you think it would be funny 😊

Libby was one of the best people I have ever known. Libby was like a sister I never had and she will be greatly missed. An Angel on earth that showed so much love and now an Angel in Heaven to look over all of us. Libby faced everything with a positive attitude. Taken to soon but feeling no pain, no suffering any longer. We are left to grieve but she would no want that. God Bless the family and everyone that was blessed to know her.

You always made me smile because you were always smiling. The strongest lady I have ever known. Rest in peace my friend. Carol, I know where Libby got her strength from. You can rest now. She is in God's hands.

Chris and I met Libby and Jenna on our first cruise 5 years ago. They were seated beside us on formal night in the dining room. I could not decide what to order and Libby said "you can get one of each if you want." We have been best friends since. Lol. Libby I hope there are cruises in heaven because I know you will be the cruise director. We won't cruise again that we won't think of you and feel your presence with us. We love you Libby.

I'll always be thankful for how Libby took care of mom whenever mom went to quarter bingo. I didn't have to worry about dropping her off there because I knew she would be watched and in good hands. I remember Libby confessing to me after mom died about how she would give mom the salt that I didn't let mom have because of her illness. She said Nancy I'm sorry but I had to. I couldn't say no to her. Lol. Libby I'll never forget the caring person you were. You fought a long fight, but now you are in a better place with no more pain and suffering! Rest In Peace. Carol, Bob and I want you to know we are here anytime you need us. We will miss asking about Libby everyday and remembering her in our prayers. I will never make chicken soup or "yellow bread" without thinking of her. We pray God sends his comforter to you and helps you through this trying time. God blessed you with such a loving relationship with Libby and this parting can never separate the two of you. God Bless!
