I am shocked and saddened by the passing of Helen. We worked together years ago in the Registrar's Office at St. Pete Junior College. She had an easy going personality. She was an excellent coworker and even greater friend . She referred to me as "Mister Bill". We kept in touch once she left the College through birthday cards because her birthday was Oct 23 and mine was Oct 28. She loved the Lord, her family, friends, and life. She will be missed!May the Lord be with her family during this time of loss." Mister Bill" Robey

I am so saddened by the loss of Helen. I worked with her at SPC and she was always an atmosphere changer. When she was present, there was always a way to see or hear the positive, even in the most negative circumstance. Her influence was felt by her presence as well as her actions and her words. I am privileged to have received a part of her legacy. My condolences to her children and grandchildren - all of whom she loved and cherished deeply.

I was shocked to hear of Helen's passing. She was one of the sweetest people I've ever met and a true Christian. My deepest sympathy to her family. She will be missed.
