## **Mark Allen Wysong**

FEB 1, 1957 - JAN 9, 2018

**M**ark Allen Wysong of St Petersburg, FL passed away suddenly on Tuesday, January 9th, 2018. Mark was born in Chillicothe, OH in 1957. He has lived in St Petersburg, FL since relocating with his family as a very young child.

Mark was an auto mechanic by trade and brought with him a true, old-fashioned, mid-western work ethic which included effortless honesty and integrity. He was a straight shooter who would tell you just what you needed to hear even if it wasn't what you wanted to hear.

Mark is survived by Pamela, his wife of nearly 43 years; his daughter Melanie and her husband Patrick; his son Matthew and his wife Lynda; his grandchildren Isabella, Nathan, and Nathan's fiancé Sabrina; one unborn grandchild; and two brothers Max and Dale.

Mark was generous with his knowledge and time and he was never too busy or too poor to help a friend. If Mark called you a friend, you were lucky; but if Mark called you family, you were truly blessed.

He will be missed.

Please join us in a celebration of life on Wednesday, January 17th, visitation will be from 1:00pm-2:00pm and funeral at 2:00pm. All guests are invited to continue sharing their memories at the City of Seminole Chamber of Commerce located at 7777 131st St N, Seminole, FL 33776.

I have known Mark since I was a baby. He was the family mechanic and eventually became my mechanic when I bought my first mustang which I still have. Mark was easy to talk to and he gave me great advice about jobs and men. I would play with the cats while Mark was working on my car. I was shocked when I heard about his passing from the shop next to his. He was like family and we will miss him.

I knew Mark for 15 years, as a bank customer and then my mechanic and friend. There is a true empty feeling now that is gone. He was never too busy to help and I never knew how to totally repay his kindness. Randomly I would just bring him a coffee and make him take a break because I knew he worked so much. Everyone that knew him knew his love for his family and friends. The earth has lost a true angel. Love and prayers to his family and friends Lorraine Noble

Mark I can still remember the first winter when you and the family came to Ohio. We all had so much fun shooting the guns. Melanie and Matt were just knee high to a grass hopper. It's a memory that I can never forget. I will miss you but same time will be praying for the rest of the family too. I know that you are in heaven now waiting for the rest of us. We will all be with you one day mark.

For over 30 years Mark has advised, guided and helped me. I will never have truer friend. I'll miss him and remember him as friend every time I start one of my cars or trucks. My fondest memory will always be our mornings together feeding the cats and chatting as he started his work day. A more dedicated and honest man I will never meet again. I feel his family's sorrow as Mark was a dedicated, helping and loving family man. His love and concern for his family was expressed to me every morning we met. My memory of Mark will always be as a friend and the most honest man I every met.Scott Dabney

To you Daddy, I love you always and forever. I know you're with me, but I can't stop crying because of all that you'll miss and all that I'm missing without you. Daddy I can't hear your voice anymore. I can't call you to all a question or tell you something. My heart is broken and it aches for you. I promise you we will take care of mom and everything you didn't get to finish. You are the best man and person I'll ever know. You did and did for everyone, even people the didn't deserve it! Some have taken advantage and used you, but you never let that stop you from helping the next person. You never knew how amazing and special you were. I'm going to stop now because I can't see past my tears. Your proud heart broken daughter Melanie.

Mark to say that Karen and I love you and miss you will not even begin to express how much we really love you and miss you. Mark I always thought of you and loved you as family. I guess that explains why I am in tears as I write this. I called you almost every day and when you answered the phone I would ask, how are you doing old timer and you would always say living the dream. Mark you are as good a friend as I have ever had, and I am proud to have been your friend. The way you loved and cared for the cats and raccoons at the shop showed what a truly good man you are. When the cats got done eating, here came the family of raccoons. You always took the time to make sure you always had food and water for them and that shows what a good heart you have. I am writing in present tense because it's hard for me to accept the fact that you aren't at the shop working as you were seven days a week. I am going to miss you my friend, I'm going to miss you. To your family, Karen and I share your pain. Mark Much Love and Respect Your Friends Vinnie and Karen

You were like my own father. You made me feel like a part of the family and I am forever grateful for that. Everyone looked up to you as you were highly respected. You always put other people's needs before your own and not everyone can do that. We were not ready to give you up. You will be missed forever!
