Susan Baglas lit a candle in honor of John.

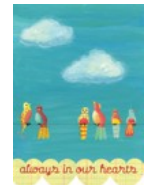

I will miss seeing your smiling face at work every day. There are no words to express my sorrow for his family. Be strong in this trying time and may your faith be strong--my prayers are with you all.

I remember spending the night on the weekend and Uncle John making us breakfast. Especially bacon! He was always playing with us kids and being silly. He will definitely be missed. God has definitely received an angel. We love you Uncle John. Aunt Dawn, Brian and Matthew I'm here if you need anything even if it's just to talk. I love you guys and you are in my prayers.

My favorite memory... When I told John's father, before Dawn and John got married, that I could speak Croatian and Polish, and went on to tell him every curse word I knew in those two languages. That's when I got drunk and loud with John. So John, see you again and we'll got drunk and loud together. Love you, Big K from Chicago.
