My condolences to the family. I knew Nelson's sister Angie Alessi having grown up with her in West Tampa. She and I went to school together since first grade. I remember so well Nelson's days working with the Boys & Girls Club of Tampa. He was always a very protective brother of his sister Angie. I have very many fond memories of the Perri family. Love to all.Sandra Tamargo Burke

My thoughts are with the Perri family. Mr. Perri, took interest in my future, as he did with hundreds, if not thousands, of young people throughout his career. For this he is appreciated, respected and will always be remembered.Brian K. Marchman,Gainesville, Florida
