Aunt Anna was a great woman. We spent many years growing up in Trenton with Aunt Anna right around the corner always at our house with my mom and dad and us kids . And then when I moved to Florida she was here and for the last 18 years we've been torturing each other in a good way . We've spent many many days at the beach going out to lunch hanging out with my friends and family it will not be the same without her . She took a piece of my heart when she went to God Saturday but I smile because I know she smiling now. she never liked crying she only liked fun and laughter. She loved Todd and my pups so much. She always came over to spoil Jovie and Joules. And of course hang out with her "main man Todd". So I say.... I love you Aunt Anna and I'll see you some day. I know you'll be waiting for us all with a smile and a hug in heaven. Kellie and family
