Jean was the nicest person to work with. She always had a smile on her face. She loved her kids and talked about them so it was like knowing them. She will always be in my thoughts and her family in my prayers.

Jean was one of the most beautiful people I have ever been blessed to know. She had an inner beauty as well as an outer beauty. She was a wonderful mother and a very good friend. I will miss her forever but she will always be in my thoughts. College football season just won't be the same without her. Go Buckeyes. She will be up in heaven rooting for the team.
