Bobby I can't believe you are gone. I know you and June are together again and all our other family members that went before you. I miss all of you everyday, but I find comfort knowing you are not suffering anymore. I love you all and miss you everyday. God bless and keep you. Your loving sister Catherine Woolley (Ellen)

Bob loved his family, always wanting to have people over. He would cook everything. He was the best father in law a girl could have. Shot from the hip, never pulled punches. He was close to his son Dale, they would go deep see fishing and had great times. You were loved and you will be missed.

When Bob was having a good day, he was kind, funny and would go out of his way for you. It never mattered what you needed he would help you if you asked. He could tell you what was wrong with your car just by listening to it. Then he would fix for you if you bought the parts for your car & a case of beer for him. LOL. His light will truly be missed. I hope he can find Mildred in Heaven and hug her for us.
