Lisa Loudermilk Boozer lit a candle in honor of Judith.

Eric, I'm so sorry about the passing of your mom. Looks like she passed a couple years after mine. I remember when our moms would plan outing and trips that I would accompany (cause I was just a kid). I remember how gracious Judy was anytime I'd come over to your house. I love her grape lemonade. Remember that? After you moved overseas, she would always boast of how proud she was of you and your family. She loved you so much. I don't know if this message will ever get to you, but please keep in touch. You can find me on FB or Instagram
