Eliot Levy lit a candle in honor of Anne.

My mom was an unbelievably warm, caring person. I don't think she even had an enemy. She grew up in Brooklyn, NY. She worked as a dental assistant a few years. She lived in Queens, NY (Fresh Meadows) a good number of years. That's where I grew up primarily. My mom had a great sense of humor. Always made everyone feel welcomed, and was always hospitable. She had me (Eliot) and my older brother, Ira. She was a loving, caring mom! Although, my parents were divorced, they were on good terms and good friends. She was mainly a housewife. While the sudden, unexpected loss of my mom still hurts deeply, I know she is in peace now. She is finally reunited with my grandparents (her parents) and my dad and dog, Tuffy. Mom, you will always be my pretty, and my loving awesome mom! You are missed, like dad is by many! You will always be missed. I love you soooo much and one day in the future, we all will be reunited together! Please look out for Jackie, myself, Ira, Claudine, Cupertino, my kids, and my many great awesome great friends and their families!! Make sure we're all ok and will be safe! Goodbye Mom!! 😞😭
