Sharon Tombs posted:

Silvi, Abby and Caitlin spent many days at our hotel two summers ago. Lots of laughter, all of us dancing to Frozen with Caitlyn and Silvi in the lobby, hearing their exciting tales of their bicycle rides around the island and always feeling so much happier after spending time in her presence. I remember her excitement when her mother and her sister were coming to the hotel. She had great love for everyone. Always full of hugs and compliments to all. She will be tremendously missed.
