Mrs. Lenora G. Schultz

MAY 9, 1943 - OCT 7, 2018

Lenora Schultz, age 75, passed away on October 7, 2018 in Pinellas Park, Florida. She was born in Bangor, Maine on May 9, 1943. Lenora is preceded in death by her husband Robert. She is survived by her children and grandchildren. Lenora enjoyed reading, gardening and shopping but it was the simple things in life that made her happy. In lieu of flowers please make donations to Hospice or the American Cancer foundation in her honor. Lenora will be laid to rest next to her husband at Bay Pines Cemetery on Friday, October 19, 2018 at 2pm.

God looked around his garden- And found an empty place,
He then looked down upon the earth- And saw your tired face.
He put his arms around you -And lifted you to rest.
God's garden must be beautiful -He always takes the best.
He knew that you were suffering -He knew you were in pain.
He knew that you would never – Get well on earth again.
He saw the road was getting rough – And the hills were hard to climb.
So he closed your weary eyelids – And whispered, 'Peace be thine'.

I cannot believe that Lynn is no longer with us. I have known Lynn (and Bob) for over 33 years, and Dana was just a kid! Even though I met them as a bank customer we grew into close friends, that seemed like family. I know Lynn is in a better place but it's so difficult knowing she is no longer a phone call away or to drop by to visit. Rest in peace Lynn you so deserve it!Cheryl

My dear sweet Auntie Lennie-you have always been a big supporter and a positive person in my life. For that I am so grateful. Your strength was inspiring. Your attitude was amazing. It was always great to see you and talk with you. I knew I could always call you. You told me to live each day to the fullest. I'm so glad you got to know my children a bit. You always wrote to me that I was in your prayers and that I would do fine. Thank you so much for being a part of my life and making it better, I will miss you dearly. I will see you again on the other side. You rest now. I love you. Your niece, Alicia

Lennie was a great gal, whenever we gathered as family she would always have the most interesting health things to discuss, she took very good care of herself and was a wonderful wife to her late husband. We always looked forward to being with her and visiting, enjoyed her company very much. She will be greatly missed and till we meet again we will hold her in our hearts. ♥♥

I am deeply sad having lost a long-time friend. As we go through life, we realize our friends become more dear and we cherish each year we have. For 75 years she lived a life her family and friends can be proud of. She never gave up. During our last conversation she said, "you know I'll be 76 in May". She remained a thoughtful and devoted friend while dealing with the pain of illness. She would always send cards and notes for special occasions and holidays. She fought a long and brave battle and did it with dignity. Lennie, I will say farewell until we meet again. Mickey LundDerry, NH
