There are so many things I loved about Grandma Betty. She had a gift of always making us feel so special with her bright smile, sparkling eyes and warm heart. She loved listening to our stories and we had so many great memories sitting in her living room talking, laughing and eating cookies. She will be greatly missed but never forgotten. Sincerely, Laura Tieman

Please accept our most heartfelt condolences for your family's loss. She will certainly be missed by many. To us, Betty was our wonderful friend and neighbor. When we look across the street we still "see" her in the yard or, better yet, on her way over to our house for what was always a sweet and cozy visit. Often, we could detect a certain characteristic smile that signaled the onset of some humorous remark or story about a funny occurrence. Oh, how she loved her family. She was so proud of you all and for so many good reasons. We all will miss her earthly presence but she will always be tucked in our hearts and most loving memories. Our love goes out to all of you.
